

NORTHERN TERRITORY
CRICKET

CURATOR

Primary Objective

Be responsible for the general maintenance, safety issues and appearance of the cricket assets at both Marrara Cricket Ground and TIO Stadium and prepare pitches throughout the year to meet program requirements.

Key Responsibilities

- General maintenance of six turf areas, including mowing, weeding, fertilizing, scarifying and watering.
- Top dressing as required after matches.
- Basic irrigation maintenance.
- Monitor and oversee pest control.
- Routine operational machine maintenance.
- General turf, facility and ground maintenance as required.

Selection Criteria

Essential

1. Formal qualifications/certificates in green keeping, horticulture or related fields.
2. Proven experience in pitch preparation.
3. Ability to produce a high standard of work under pressure.
4. Ability to prioritise workloads and meet dead lines.
5. Ability to work with minimum supervision.
6. Current Drivers Licence.
7. Sound mechanical knowledge.

Desirable

1. Good oral and written skills.
2. Computer skills.

Salary Range: Negotiable in accordance with experience.
