

DEVELOPMENT/SELECTION CAMP 2011 NOMINATIONS (FORMALLY CHAMPIONSHIPS)

CRICKET – 15 & UNDER

This year School Sport NT is adopting a new initiative to offer students a better defined and more structured pathway within sport, a higher level of skill development and the opportunity for individuals to nominate without having to find a 'team' or miss out. The Camp will include elements of:

- Round robin competition,
- Coaching and skill clinics from specialist coaches,
- PL in diet and nutrition, hydration, injury prevention etc.
- Protocols, presentations and ceremonies,
- Role model and pathway information,
- Social interaction,
- Squad selection.

To nominate a student can work with parents and teachers to complete Form A, Form B and Form C. These forms need to be received by the Cluster School Sport Office, with the \$250 nomination fee, at least 5 days prior to the nomination date. This will ensure plenty of time for the nomination to reach Darwin.

The nomination fee includes travel to and from the camp (ie. airfares to Darwin), all hosting related costs including venue hire, ice, lunches, equipment and presentations. An additional \$50 billet levy will be charged if the student requires billeting in Darwin.

Lodging a nomination does not guarantee a place at the Development/Selection Camp.

Once nominations have been received the Cluster Board will determine which participants are chosen to fill all Clusters allotted places.

There is only **8 places** for each cluster for this cricket camp.

Once selected for a Camp, any further monies for billeting, uniforms etc will need to be paid.

It should be noted that if you are selected for a Camp, but later find that you are unable to attend, you will not receive a refund unless another suitable student from the Cluster is willing to accept your place. In this instance a \$30 name change for plane tickets will apply and a refund between participants will need to be arranged.

Those students who are not selected to participate will be contacted by the Cluster Office and receive a full refund of the nomination fee.

If you would like further information or assistance, please do not hesitate to contact your Cluster Office.
